PE and Sport Premium Strategy

Funding Plan Academic Year 2018-19

What is PE Premium Funding?

“The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.” DFE 2016

Overview of School PE Premium 18-19

Financial year 2018 to 2019

Schools with 16 or fewer eligible pupils receive £1,000 per pupil.

Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

How we use the PE and sport premium

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

For example, schools could use their funding to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs
- run sport competitions
- increase pupils' participation in the [School Games](#)
- run sports activities with other schools
