

School Closures

In the event of bad weather (or any other situation where the school may be forced to close), please use the following to find out if the school will be open —

- Ring the school answerphone (01769 550387) which will have an updated message as soon as we have any new information. This may well get busy at certain times, so also try the alternative sources of information.
- Keep watching for text messages coming through regarding local arrangements. Please make sure the school office has the correct mobile details for you.
- Listen to Radio Devon (94.8 FM or 801 MW) who will announce school closures as they receive the information
- Look at the Devon County Council school closures website www.devonschoolclosures.info/
This site has details of schools that are closed for any reason, together with any transport information regarding school buses. It does rely on somebody updating the information, so please keep checking as it takes time to update all the sources.
- Please be aware that the school may not be informed of any transport issues, so do look at the website above or contact the provider direct:
South Molton Taxis - 01769 573636
Beacon Coaches - 01805 804240

We cannot guarantee being able to contact individual families, so please use any or all of the above to find out the information you need.
